Logging in and out

Logging in

To log in to eZ:
1. Go to http://[uri_of_ez]/ez in your web browser.
2. Enter your user name and password, which you specified during the installation process.
3. Click **Login**.

> **V1.4**
>
> After you log in the first page you see is the Dashboard.

Logging out

To log out from the system click **Logout** in the upper right corner of the screen (under your user name).

> The login window appears again after logging out.
