Step 2: Going Deeper

Now that you have eZ Platform installed, what's next?

- Follow one of the tutorials that will lead you step-by-step through some of the operations you can do.
(See Next Steps: Follow a Tutorial Path.)
- Play with a ready-to-use demo that lets you see and investigate how an example website is built.
(See eZ Platform Demo.)
- Learn what eZ Enterprise has to offer on top of eZ Platform.
(See Get Started with eZ Enterprise.)
