# Logging in and out

## Logging in

| **To log in to eZ:** |
| --- |
| **1.** Go to http://[uri_of_ez]/ez in your web browser. |
| **2.** Enter your user name and password, which you specified during the installation process. |
| **3.** Click **Login**. |

## Logging out

To log out from the system click **Logout** in the upper right corner of the screen (under your user name).

| The login window appears again after logging out. |
| --- |
